DECEPTIVE REALITY PROPHET IN OVERALLS 202

We are not ready for the coming of Christ! Is this the Church triumphant? Covetous, divorcing, depressed, worldly-minded, grasping for materialism and success, competitive, lukewarm, adulterous, rich and increased with goods, unaware of spiritual blindness and poverty, pleasure-loving, recreation-minded, consumed with sports, politics, and power - is this the Church Jesus is coming for? Simply coping, filled with fear and anxiety, satisfied only to have good health and happiness? God's gift to mankind included the earth, cosmos, and eternal salvation.

A perfect eternity required a blood payment for the sin of disobedience. In the garden adamantly disobeyed instigated by Satan. Jesus was obedient, and willingly gave his life for mankind.

Elohim gave his man creation free will and so started the eternal battle for man's soul.

Mankind tired of obeying God's commandments. This gave way for Satan to develop many deceptions and to man's mind.

The primary deception was that mankind had personal control of his life without obeying God's commandments.

This aspect became "religion", man became the God of his own existence. Wars, corruption, mass murders, and demonic activities blossomed from self grandsement.

SOULISH ENTERTAINMENT/ CORRUPTION

From the beginning man attempted to escape the pressures that he put upon himself, therefore entertainment became an escape.

Where actors lie about themselves, in situations which were fabricated to stir emotional responses of viewers. These situations became more dramatic in order to affect more dramatically covering all activities to stir self grandioseness .

These actors, soon tried with ease to become an example of whom they portrayed. People thought that viewing the roles played were original and thus illusions became reality.

Many actors committed suicide, because they couldn't live up to their own entertainment persona.

POLITICAL /GOVERNMENT

America was God's second experiment with nations. Where the people chose a king rather than God as prime directive.

It worked for a couple hundred years, but eventually the " Church" influence waned and became cold. This has now become deceit going against the word via abortion, sodomy now the next inclusive demonic effect - love of Mammon.

Follow the money will see how the " church" world make it all about self monetary wealth.

The fake everything foisted upon man kind in America and the world wide is becoming a deceptive reality. Almost every plan or action by our government has some deception included. From moon landing to 911 catastrophe.

Infighting by some officials to retain control of their elite position. Lying and deception have opened a path of self instruction.

GOD'S PLAN

God will not be mocked, and until a spiritual revival mends the mindset of mankind, the circumstances become worse until destruction of systems, greed, lying is complete.

Repent and be restored back to God, before you don't have the choice. Man dies then the judgement.

You have the personal responsibility if you want eternity in covenant with God, Jesus and the Holy Spirit.
