## **Time of Reflection - PIO178**

Time of reflection.

Consider the circus going on in the church and the world system .

You aren't at peace with the confusion.

Without the joy of the Lord, your life is without discernment. Following the chaos of the world system or the deceived church hirelings is like treading a ditch with the ends out.

If you listen to the corruption being spewed from the government you will never have joy. Only the pap that is directed to hide the truth of any circumstance. So you have to live with happenings provided to you using deception.

The plan of Elohim was to have His Son Jesus, ruling and reigning. But mankind in its infinite ignorance and greed forced by its sinning, required the shedding of blood of an innocent .

Jesus obediently submitted to dying and saving to return mankind to the Father's provision.

Today every form of deception is used by mankind, so not to repent from ignorance, and be their own "god".

You can't be more stupid than to deny God and His provision.

The spirit driving the deceived people uses every "Fake" opportunity. Repeating accusations without truth, becomes a mantra. Some "snake oil sales men" use words that convey exactly the opposite. Look at the last president.

Society is being deceived by the propaganda thrown continuously by the media and espoused by the defeated political parties who are in fear and want control back. Lying , paying mal - informed people to disrupt peaceful activity, intimidate and destroy other peoples property.

The political agenda of false religions claim illegal "religious" protection. And demonstrate against valid religions.

Society doesn't want to take responsibility. It doesn't want to have a God to tell them that their actions are sinful, and must be stopped. They ignorantly tramp along lives path, never consider their own eternal destiny or those who are included in their path.

Gleefully ignorant , demonically influenced and don't want to change.

Mat\_7:13 Enter ye in at the strait gate: for wide *is* the gate, and broad *is* the way, that leadeth to destruction, and many there be which go in thereat:

Be the believer, and be saved...
