## FOREWORD

The following details the effects of slavery.  
While covering America, the concepts are  
applicable to all political systems.

The first commandment of Abba God is that He  
alone is God none beside Him.

Anything that exalts itself above God in ones  
life is a sin and an idol.

Physical and / or spiritual control of another  
person is witchcraft. Over their will is slavery.

The “master” who controls another is under  
condemnation of God.

## ***1: History of Slavery in America***

1721 was the American invasion of spiritual corruption and bondage. A Mississippi company brought 1300 black slaves into Mobile. This was an open door for invasion. Forces of the anti-Christ. It quickly spread throughout America and welcomed all forms of demonic activities.

The first anti-Christ (god) spirit was in the garden of EDEN. Adam and Eve disobeyed God.

Ownership of another person had affects on both the “master” and the “slave”.

The “slave” was considered property and had no rights.

The “master” had the obligation to support the life of the “slave”. Physical needs were required, and soon became hedonistic towards the “slave”

Religions tried to alleviate the slaves suffering with a “code noir” (black code)

To flee from the southern grip on “slaves”, there was a underground (secret) railroad. Transporting slaves to the north. Songs were used by the “slaves” to communicate in secret.

## ***2: Result of slavery***

Slavery became a point of contention between the North and the South.

President Lincoln created legislation called the “Emancipation Proclamation”. It legally set the “slave” free from involuntary servitude.

The civil war remains the deadliest war in American history. The deaths of an estimated 750,000 soldiers. An undetermined number of civilian casualties. Historian John Huddleston estimates the death toll at ten percent of all Northern males 20–45 years old, 30 percent of all Southern white males aged 18–40. Victory for the North meant the end of the Confederacy and of slavery in the United States. It strengthened the role of the federal government.

The war stopped the out right conflict of slavery. The underlying spirit remains today in our society.

Political arrangements have been used to soothe the spiritual turmoil. Never will there be any political solution to totally eradicate slavery.

## ***3: Political control***

Political parties have used the “slave” issue to maintain their control over the population. Lying and promising circumstances. That they cannot or will not provide.

Providing income instead of assisting in establishing work. Lower income people (white, black, yellow, etc) have become dependent upon our

government.

Providing money for dependant children. The systems has removed the incentive for independence. Subservient “slavery” more dependant upon the political handout. This removed the need for a family of two parents. Destroying the family unit that is God’s way of life.

The population used to maintain their extravagant lifestyle. The politician perverts the purpose for their own good. The politicians discovered they could raise there own income level. They entered into the area of the love of mammon.

Over the last decade there has been over a trillion Dollars spent to”solve” the political inequities. The result is, there has been *no gain percentage wise* in the improvement of the quality of life. This is because man has been in charge. Only God Elohim can change the heart and purpose of man.

#### ***4: Church acquiescence to slavery***

Follow the Word, without adding to or taking away. That is how we stay in covenant with Abba.

Don’t follow a religion based upon social or family ties. It is a slap in God’s face. ***1John 5:21 Little children, keep yourselves from idols. Amen.***

A perverted moral position of slavery is

when the person knows and professes the Word. Then say’s , “ All my peers are following the “party line”, I will do the same.” This person is unstable in all matters concerning the Word of God. Reevaluation of their spirituality , requires they return to there first love. (God)

Following a political party supporting abortion, homosexual life style, same sex marriage, and “boos” God in their convention is saying, “ I am a anti-Christ.” Christians who will vote for this are aligned with the demonic spirit.

In America we have physical freedom and spiritual freedom. Choose to be a slave to an anti-Christ spirit. Follow social peer pressure. Profess these and become a person choosing to be a slave.

#### ***5: Solving the separation of the people groups.***

Christ is returning for His “Bride”. His church is to be of one mind and spirit. Instead we have 100's of denominations. Separation by color, ethnicity, creed and ever imaginable method of separation.

Demoniacal people have decided that their “religion” is the only correct one. Everyone else is not in God’s will. Not allowing, under penalty of expulsion, fellowship with other “Christians”. Effectively forcing a edict of separation.

Will Christ return to find any faithful?

Look at Lots circumstance. *Gen\_18:26*  
*And the LORD said, If I find in Sodom*  
*fifty righteous within the city, then I*  
*will spare all the place for their sakes.*

### ***SOLUTION***

Returning to our first love Christ. Realize we are all related brothers and sisters by our historic father Adam. Then by Noah, we can return to fellowship. Our diversity of color , language and ethnicity is a manner to better understand mutual advantages for fellowship. The more diverse our backgrounds the more we appreciate our differences. We relate by Christian agape love. Our heavenly creator made us diverse. Let us not throw away the advantages provided.

### ***6: Preparation for the prophesied future.***

Time is short. The return of Jesus is at hand. He'll return as HE left , in the air.

We should be about the Fathers business as Jesus was.

The effect of slavery has been ingrained that it has become the normal way of living. This deception steals the victory Jesus died for. Affecting all parties and forcing a stand off of relationships.

Understand that God's purpose was fellowship and covenant with all His creation .

A cleansing, about to occur will get every ones attention. The lesson will be unavoidable. It'll expose all the hypocrisy, lies and manipulation of their Adamic nature, Especially slavery.

Repentance and restoration to Him is the purpose for the cleansing.

Embrace God's redemptive purpose or face the future as spoken of in the Book of Revelation.
