Pharisee Church

PIO 185

The “Pharisee Church” is supported by five fold ministries. In many circumstances the pastor is systematically enriching himself. The rest of the church members are sinking towards poverty . Some TV Evangelists have perfected a corrupted Gospel for personal gain.

It’s worth remembering the oft-quoted words of Lord Acton. Written in a letter in 1887.

“Power tends to corrupt, and absolute power corrupts absolutely. Great men are almost always bad men”
...the synagogue of Satan.

There is no worse heresy than “ the office sanctifies the holder of it.” and “this is just as applicable to the Christian Church as to any secular form of power.”

What is being foisted upon the “church” was prophesied in revelation :

Rev 2:4 Nevertheless I have *somewhat* against thee, because thou hast left thy first love.

No amount of physical action will change the mind set of the “Church” . Only repentance and encompassing the truth of the Gospel is effective. Even the judgement of sin changes individuals mind set.

The “fake” experiences of the corrupt world is always pressuring. Become more ignorant of the Word. A result seeks a “nirvana”, it is only an excuse to be irresponsible in ones actions.

To change the spiritual battle by using “business attitudes”. A methodology of forcing and coercing by threats and intimidation.. Of course their success is fleeting. It requires an ever increasing effort. Another person / ideology is hard on their heels to be the controlling factor. (Sounds familiar eh? “Washington Swamp”).

Using the flesh to achieve. Failure is eventually guaranteed.

Only through the Word of Truth, can any results be effective.

HIDDEN RESULTS

A obvious affect of TV Evangelists and “seeker friendly churches” is one of diversion. Extraordinarily mesmerized capability, to get people to pay their tithe and offerings to self serving hypocrites . This starves out the pastors - evangelist who continue preaching the Word of God . The ignorance of the methodology used is a result of the Church losing their first love.

Watching people without discernment, concerning Spiritual activities, is very disturbing. They fight the battle but are unprepared. They have not been taught . The church has become an extension of the world. Not able to deduce truth from fiction. This leads to confusion. Blind obedience to a “fake” Christianity.

Sheep being led to the slaughter. Ridiculed by the world and its protagonists. Denying the sovereignty of Elohim. Never seeking the truth. Only, pacification of their souls in their darkness.

God’s eternal plan is for all to be in covenant. Giving His creation free will choice. Not chosen, after all proof of His Holiness given, earns eternal separation from the Trinity.

Don’t pass up the eternal victory in Christ Jesus.
