## MAN OR GOD ? PROPHET IN OVERALLS 203

The eternal battle continues. Whose word do you embrace?

### POLITICS

Politics is the all encompassing format. A Man controlled reality. Extremely short sided. An activity which delays. A manipulation of any truth.

Always floundering. Tantalating without reality. Lying and denial the truth for the moment. Trying to gain mental advantage over that which overwhelmingly destroys their self control..

Never considering the actions they use. The same judgement is used to judge their actions. Scerming under scrutiny outside of their control, they become "snowflakes". No foundation, they only complain and deny. Avoidance by controlling their environment by withdrawal from reality.

Creating and fostering confusion to control their emotions. The more confusion, the less the truth into the mindset. As Herr Bormann said in the third Reich, "if you say the lie long enough, it becomes truth."

Continual distraction forces the perception of chaos. This causes dis orientation and stupid , ignorant thoughts.

### CHURCH

It has fallen under the perversion of spiritual manipulation . Following individuals who at one time were honorable. They have become lazy and preach a self serving false "religion" . It contradicts Christs' example.

### SOCIETY

In order to create ultimate confusion, subject

matter is introduced in a continuous manner. Never solving existing problems. Affecting the welfare. Physically and definitely avoiding the spiritual aspect.

Listening to the blow hards spout their opinions. Derived from their affected mindset lead to obvious errors they spout. Claiming only they know the truth. In reality, it is manifestations of their spiritual prejudice.

### SCAMMER ALERT

The world wide deception brings the scammers out of hiding.

They buy your name. They present some thought to get you to buy into their scheme. You provide some money to them. They will take away some legal action against you which is non existant. This fear is the sister act to chaos. It is an unusual day that I don't get carbon copy of threats from the scammers. Whether it be the world, the flesh or the devil

Filter the attacks from the scammer through God's Word. Stand strong in all circumstances follow the leading of the Holy Spirit.

### REVELATION

What we see in the World and the church has been prophesied in the Word.

I pray, the effects on mankind that are coming will convict and cause the people to repent.

God's purpose is to have all mankind in covenant. Having free will mankind chooses their own destiny..

I pray for those who want to be saved.

Not long now, you can't avoid your realty .
