PIO 207 *The Last Hurrah*

Originally sent to Alabama and USA on 2/18/15

Alabama, the a state of “ thicket clearer - pathfinder” is in a country of chaos. It has experienced many lessons the hard way. Slavery , wars and riots . What have we learned.? We hid behind layers of pages of non effective laws. Always piling more on the heap. Never solving. Leaving more burdens on the population. Never doing it the way to bring peace into present day.

It has a special place in God’s purpose. In World War II ,USS Alabama was never hit by enemy fire . Provision and favor has been shown . Alabama did actions pleasing to God .

The first was, Alabama signed the proclamation supporting the country of Israel . It still is. The Word says, whoever blesses Israel will be blessed .

In 2008 a sovereign act acknowledging the name of the **Bay of the Holy Spirit** was accomplished . I spent 18 years to “restore” the name. The mission of Sanctuary West is to “ restore man back to God". By restoration of the name, honor is given to the Holy Spirit.

Protection has been provided since the dedication of the sign. An oil platform poured thousands of gallons of oil within 50 miles of the Bay. There was no damage in the Bay , hurricanes water have buried the sign, all to no avail .

The murder of unborn children has earned a judgment from God . Now, the federal government is attempting to pervert God’s plan for marriage .

Judge Roy Moore is defending the word of God “marriage between a man and a women “ National laws are made by man and pervert God’s laws.

I pray and hope that you would not be ignorant . Continued acts against God laws will bring judgment . i.e.. Our nation has *legalized* murder. Call it women’s rights. The judgement on Sodom and Gomorrah will pale by comparison.The unrighteous acts of the elected officials go against the rights of the people and God’s laws.

Your actions either support God’s plans or create a destiny none of us want . An eternity of torment with out relief.

It has always been God’s plan to have a covenant relationship with His creation - mankind. He does every thing to make a way. He had His son, Jesus, sacrifice his life for your sin (separation from Him).

I whole heartedly prayer that your eyes are opened and you accept the truth of God.

Those of you who are Real Christians I agree with your stand and support you in prayer.

The Word says in 2Chronicles 7:14 " **If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."**

GOD IS IN CONTROL

Updated on 11/29/17

The truth of the Word will stand the test of time.

Isa_59:19 So shall they fear the name of the LORD from the west, and his glory from the rising of the sun. When the enemy shall come in like a flood, the Spirit of the LORD shall lift up a standard against him.

The provision that God provided was given via covenant to Abraham and his decedents. It protected the Jew for many years. The Holy Spirit had not come yet. The law was the foundation of life.

The choice was given. The Jew chose a king instead of God. Eventually, in the dessert God removed those without faith. That cleansed the race.

America was given the same choice. We chose a society of "man made laws". Only, allowing some of Gods provision. Creating laws in direct contradiction to the Word. God's favor is being withdrawn. Society is starting its domino effect of collapse. Not only the Church, but the man made government & media. Eventually, the straw and hay will burn (destruction of corruption). Only the purified faithful believer will stand. Not the religious, self made persona. The Church is given the authority to be the Guardian of the word. Society, now struggles and is unable to be in both spheres of influence.

The church fell asleep. The five fold ministry became apostate hirelings. Societies pressures caused the church to become like the world. Excuses have become the norm. Irresponsible actions made so no difference between the church and society [world] .

Philia love (flesh) has now become the norm. All forms of sin have become acceptable. The word of God, outlawed by the anti-Christ societal law givers.

Gods plan has always been to have a world wide revival of holiness. Not man made revivals of the last few years. But, with purity and responsibility to the Trinity. Even the restoration of the name of The Bay of the Holy Spirit. His direct Word "restore man back to God through the Holy Spirit " . By obedience to His Word, this effort has been partially completed.

HOLY SPIRIT RESTORATION AGENDA

On December 1991 the Holy Spirit told me to have His name restored back to Bay of The Holy Spirit from Mobile Bay. He was grieved. So began my mission.

I dedicated an Alabama Historic Association approved sign on the cause way on June 14, 2008.

Since the dedication of Bay of the Holy Spirit sign there has been some dramatic local changes. No local damage from any the hurricanes. No damage to bay from the oil drilling platform leakage. New businesses which employed new employees. New homes constructed. Vast increase of the tax base. Blessing from God. A direct sovereign intervention and spiritual blessings.

RESTORATION COMPLETION

The effort has now matured into getting legislation from Alabama or USA to restore the name on world wide maps.

The federal contacts are (1) President Trump ,The White House,1600 Pennsylvania Avenue NW, Washington , DC 20500, (2). Mr. Lou Yost, Executive Secretary ,U.S. Board on Geographic Names, 523 National center Reston, Va. 20192 Phone - 703-648-4552

You can help this restoration by contacting your Alabama Legislative member and or President Trump or Mr Lou Yost and request that the name be restored.

I will continue to work on this restoration. Donated funds will be used to assist in providing collateral support material and pursuing this restoration.

This restoration will go a long way with God to assuage the effects of past sin in Alabama. Caused by importation of slaves into Mobile, Civil War, abortion on demand and same sex marriage. Avoiding the name restoration is a nonplus response and gains no positive action from the Holy Spirit. I will continue to work on this restoration. Until it occurs on World Wide maps.

WORLD MIND SET

The world has degraded into chaos, Politically Correct, Fake Everything, Government Swamp Mentality. Seeker friendly apostate church.

YOUR CHOICE

The World mind set of fear and corruption or the WORD OF GOD, HOLY AND ETERNAL VICTORY

Your choice!!

Peace Alabama,

Jerry J. Tomecek , Overseer of the Bay of the Holy Spirit.
